TO WHO IT MAY CONCERN,

The Arizona Silver Chapter, United States Army Warrant Officers Association (USAWOA) will be conducting their 9th Annual Memorial Scholarship Golf Tournament on Saturday, 12 September, 2009 at the Turquoise Valley Golf Course in Naco, Arizona. The proceeds raised will be used for our annual David M. Heckman Scholarships and our other area charities.

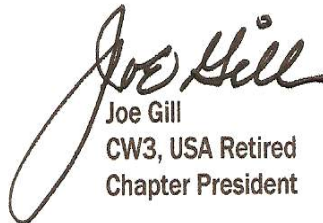

USAWOA was formed in 1972 to support the Army's Warrant Officers Corps and to improve the understanding of warrant officers within the Army structure. In addition, local Chapters are charged with working with their local areas with charitable and community projects.

We are a nonprofit organization and membership is strictly voluntary for those interested in dedicating their time to supporting this organization. Our Chapter is in good standing with the USAWOA National Headquarters and shares the association's IRS 501(c) (4) non-profit tax status. The IRS tax ID number is 52-0992682.

If you have any questions or wish to discuss this further please call CW4-R Bill Whealy, our golf chair, at 520-255-4500 or by email wwhealy@cis-broadband.com.

Thank you for considering helping us with our charity golf tournament.

Sincerely,

Joe Gill
